

SHIPPING INFORMATION GERMANY

Dear Customers,

Please collect your purchased items within two weeks after the auction ends either by yourself or through a freight forwarder. In exceptional cases, we will ship securely transportable items within the EU for you using DHL or Intex. The buyer bears the costs for packaging, insurance, and shipping, which must be individually clarified but amount to at least €20 per package within Germany. Packaging and shipping will only take place after receipt of payment for the separate shipping cost invoice and may take up to 2 weeks after payment due to the large number of shipments after the auction.

For items marked with „(Versandhinweise beachten)" in the item description, unfortunately, we cannot offer shipping for liability reasons.

For the shipping of large items and furniture, we recommend Spedition Hendrich (0821 455 554 0), and for pianos and grand pianos, Paul und Hartl GbR (01728390428), we are happy to establish contact for you.

Kind regards,
Yours sincerely,
Georg Rehm Art Auction House
